Early Learning Assistant Training Program

Providing FREE training for Early Learning Assistant careers in the Early Childhood Education Sector.

The Early Learning Assistant training program provided by **Elevate Plus Military** allows the student flexibility and interactive learning without the requirement of classroom attendance. This program prepares Early Learning Assistants to work in settings that could include full-day early learning kindergarten programs, child care centres, nursery schools, private home child care, live in/out nanny, and resource centres. This program is delivered virtually and could include some synchronous hours while, main learning would be online, asynchronous.

This program is available to job seeking Military Spouses, Family Members and Former Serving Vets and to those who are unemployed and seeking work. Participants must meet certain criteria to be eligible and have completed grade 12 English.

CLASS STARTS OCT. 4, 2021

- ✔ Complimentary 10-week virtual training program to consist of job readiness preparation, essential soft and technical skill training
