Customer Service Specialist Training Program

Providing FREE training for remote, work from home roles in the Customer Service Industry.

The remote Customer Service Specialist training program provided by **Elevate Plus Military** allows the student flexibility and interactive learning without the requirement of classroom attendance. This program is focused on gaining the knowledge, skills and know-how required to successfully work in the customer service industry. This program is delivered virtually with sessions taking place Monday through Friday. Learning is a combination of instructor led sessions and self-paced online learning modules and quizzes.

This program is available to job seeking Military Spouses, Family Members and Former Serving Vets and to those who are unemployed and seeking work. Participants must meet certain criteria to be eligible and be able to work legally in Canada.
